Dear John Dougherty

Thank you for reaching out to us. We hope we can help you out.

For us to understand your request better, could you give us further context for this inquiry? Also, if this is urgent, do you have any deadlines we should be aware of?

I won't be available until tomorrow morning my time (GMT), however colleagues of mine will be available if you need anything, i have CC'd Lilac on this email, who will be able to assist you further. I have asked her to follow up with you shortly
